Aren't They Beautiful!?

It is with much pleasure that we unveil to you our magnificently restored windows. Thanks to the talent of Aldo Fernandez we now see these wonderful pieces of art as they have not been seen for over 100 years.

I would like to acknowledge the assistance of our insurers and their assessor, Bill Campbell. At all times we have been treated with the utmost courtesy and the quality of the workmanship in all aspects of the fire restoration is first rate, as you can readily observe. Member Grant Fraser was the puppet master of the renovation, bringing all the strings together thus achieving a happy conclusion to "The Fire"; what would we do without him!!

Thank you, our loyal patrons, for your many good wishes and prayers which are greatly appreciated. It seemed you knew just when to send a happy thought.
