### **Director's Note**

It is common for a Director's note to be inserted in the programme, sometimes explaining unnecessarily what the play's about. I am assuming that you are a dedicated thriller and murder mystery aficionado, so you won't need that will you?

My only advice is "Keep an eye on the keys."

My sincere thanks to my talented and dedicated cast and crew, Hunters Hill Theatre, Pymble Players, Grant Fraser, Paul Gilbert, Alan Hayter, Sandra Truelsen, Bree Williams and the dedicated set builders whose expertise and energy has prepared *Dial M for Murder* for your entertainment tonight.
