The Genesian Theatre is thrilled to bring you the multi-award winning play *Journey's End*. Set in the trenches of France during WWI, it tells of the relationships and camaraderie of a group of British officers in the last days of their war. More than just a poignant play about the futility of war and loss of innocence, *Journey's End* examines inner human strengths and the power of humour in crisis. This play truly is an absorbing night's entertainment.
