Do you have any theatrical/ film/ tv/ performing or personal commitments during the SEASON from 1st October to 7th December 2019 YES/NO

What? _____

I understand that *Ladies in Black* is an unpaid production, however I realise that at all times I will conduct myself in a professional manner. Upon

being offered a role(s) and accepting, I am fully aware that I will be expected to attend all rehearsals I am called for, and must make myself available at other negotiated times which could involve set building, painting, publicity photographs, dialogue coaching, costume fittings, publicity photography etc. I realise that this is a community theatre production, there are no paid crew and I will be asked to assist in the bump in and out of the show.

There are no understudies and the success of the production lies in the commitment of the cast, creatives and crew. If I am successful in joining the production, I will receive four complimentary tickets to use during the run of the show. If I do not get offered a role, the director will email me within two weeks of the auditions. If I should wish to be involved, the Genesian Theatre is always looking for crew and this may be open to me.
