\*preview night

Opening with a literal depiction of Roland Barthes *Death of the Author*, *Dead White Males* positions itself with a bang! as David Williamson's entry into the debate on literary theory which came to a head in the mid 1990's. This delicious satire of literary theory goes beyond the university walls, bringing us a touching study into three generations of an Australian family, all depicted by Williamson with his usual wisdom and wit.

Adults \$25 / Concession \$20 / Family (2 adults, 2 children) \$75

Group bookings (10 or more) \$20 per ticket
